EXPLORING VAL GRANDE

Nature, culture, and sports along the Sesia River.

2

1 SESIA RIVER

The river flows close to small and charming mountain villages and descends steeply along the entire Valsesia, creating charming sceneries of extraordinary beauty. It also offers to **water sports enthusiasts** several kilometres of natural gym, along with natural inlets with emerald green waters perfect for those who love fishing or spending pleasant moments of relaxation in nature.

3 RASSA

This picturesque village, located at the confluence of the Gronda and Sorba streams, is the perfect setting to discover an ancient still in working water-powered sawmill along with the **Eco-Museum of wood**, located in Rassa. From the village you can spot the famous **Calva wall**, on top of which, in the first decades of the 14th century, the heretic **Fra' Dolcino** and his followers found refuge.

2 SCOPELLO AND ALPE MERA

From Scopello, the best place for a **family vacation**, it is easy to reach **Alpe di Mera**, a charming and sunny destination with a fantastic view of Monte Rosa. The area between Scopello and Mera offers countless opportunities for **outdoor activities** in any season: from trekking and water sports in summer to snowshoeing and skiing in winter.

- Best Hiking trails

4 CAMPERTOONO

The town preserves in the urban fabric many traces of its glorious past such as the majestic **Parish Church of San Giacomo**, one of the most beautiful churches in Valsesia, and historic buildings on both sides of the Sesia River. From the village, **Alpe dell'Argnaccia** can be reached via the enchanting **art trail**: an itinerary dotted with ancient chapels, shrines and oratories.

5 MOLLIA

Located on the banks of the Sesia River this lovely town is made up of small clusters of houses that rise up behind the mountains. In addition to the **loop trail of the hamlets**, a pleasant route that is very fascinating from a historical and scenic point of view, we recommend a tour of the **old Fucina Mill**, one of the most interesting sites of the **Valsesia Ecomuseum**.

6 BIKE AND PEDESTRIAN ROUTES OF VALSESIA

Val Grande offers **MTB and trekking fans** a variety of trails immersed in extraordinary natural surroundings where sports activities go side by side with cultural tours and delicious food and wine stops. Along the route, you will discover rare jewels such as the **Parish Church of Scopa**, incredible natural attractions such as the **outcrops of the Insubric line** in Scopetta, and genuine local delicacies, such as the **Valsesian cheeses** in Piode.
